## P R O F I L E

As a creative specializing in film, my drive is to not just tell a story, but experience emotions through color, light, shadows and movement. It is through my work that I challenge societal and cultural norms, make statements and mold messages of change, and push to give a voice to diverse groups. My creative process has been curated by my personal experiences and the mentoring from the talent that surrounds me.

**Creative Filmmaker** 2019

Google Creative Lab, New York City, NY

Bewteen the concepting and actual creating of ideas, whether filmed or animated commercials, I am hands on throughout the entire creative process of content across a handful of projects and teams. As well as taking on special projects straight from Sundar, CEO, and his executive team. I am challenged everyday with solving worldwide issues inside this tech giant using unique creative approaches and creating mass reach campaigns.

**Producer** 2016-2019

BYU Football, Provo, UT

Directed, filmed, and edited social content, promos and highlights from practice, games and team events. Co-directed a short documentary series, under the direction of Coach Sitake, capturing the joyous and hard days within the tight football family. Worked with the NFL Draft Video Coordinator during the 2017 and 2018 NFL Draft.

**A/V Productions Technician** 2015-2016

BYU A/V Productions, Provo, UT

Provided high quality audio and visual services for BYU's biggest sport games and even NCAA Tournaments, along with other high profile events hosted in BYU facilities. Worked with ESPN Network to broadcast top games across the country with one of the strongest fan bases in NCAA.
